

From the Speech Room

October

Did you know that?

Fall is a great time to expand language skills in our children. Take a walk through the park to collect leaves and discuss the different colors and shapes of the leaves. Have a conversation about the season of fall/autumn, the holidays in fall, and the changing weather. Discuss Daylight Savings Time and what that means. Read books having to do with the autumn season and enjoy time outside while you still can!!

THEMES/UNITS
